

ATTITUDE

The **longer** I live,
The more I realize the **impact** of **attitude** on life.
Attitude, to me, is more **important** than the past,
than **education**, than **money**, than **circumstances**,
than **failures**, than **success**,
than what other people **think**, or **say**, or **do**.
It is more important than **appearance**; **giftedness** or **skill**.
It will **make** or **break** an organization, a school or a home.
The **remarkable** thing is that we have a **choice** everyday
regarding the **attitude** we will **embrace** for that day.
We cannot change our **past**.
We cannot change the fact that people will **act** in a certain way.
We cannot change the **inevitable**.
The only thing we can do is **play** on the one string we have,
and that is our **attitude**.
I am convinced that **life** is 10% what **happens** to me
and 90% how I **react** to it.
And so it is with **you**....

-Charles Swindoll
